

GLIDING HERITAGE CENTRE

Aircraft Summary Sheet

TYPE	Colditz Cock replica
Manufacturer	South East Aircraft Services, long term loan courtesy of Tony Hoskins.
Year of manufacture	2012. Built to support the Channel 4 documentary on the Colditz Cock which was first screened on 13 th August 2012.
Registration marks	None
Airworthy	No
History	Its sister was built in the same Colditz Castle attics that the prisoners had used to construct the original in 1944/45. The one we have was used to sort out problems and advise solutions to the many issues that arose during the building of the replica in the Colditz attics.
Notable flights	Never flown! It's sister was launched under radio control on 17 th Mar 2012 from the roof of Colditz Castle and crashed in the originally intended landing field next to the River Mulde.
Restoration history	Not applicable.
Other	Arrived at Lasham July 2013. BAPC347 (British Aircraft Preservation Council)

Colditz Cock replica in GHC hangar at Lasham (Paul Haliday)
