TYPE	Dart T.51, 15m
Manufacturer	Slingsby, Kirbymoorside, c/n 1439
Year of manufacture	1964
Registration marks	BGA 1198, comp no 597
Airworthy	No, condemned in 2016 so display only – back wall of the 2 nd GHC hangar
History	None known as we have no paperwork for this glider. Des Tait passed the glider on to Richard Boyton with the request that it should be made airworthy
Notable flights	None known as no logbook
Restoration history	Not known
Other	Arrived at Lasham 10 th March 2016. Delivered “on loan” to the GHC by Richard Boyton. Serious wing root metal spar corrosion meant it could not be flown again. RB has died so it’s assumed the GHC now owns the glider
